MAP PRESENTATION

WHAT IS ICROSOC ???

Romanian Society Imperial is a student-led community that brings together Romanian students and anyone interested in Romanian culture at Imperial College London.
We focus on community, culture, and professional growth by organizing social events, cultural initiatives, career opportunities, and collaborations that help students connect, support each other, and build meaningful experiences abroad.

YOUR BENEFITS

- SOCIAL MEDIA PROMOTION
- BRANDING
- DEDICATED EVENTS IN THE FUTURE
- DIRECT CONNECTION WITH ROMANIANS ABROAD

YOUR BENEFITS

SOCIAL MEDIA PROMOTION

This includes **posts** featuring your contribution, event collaborations, and project highlights shared on platforms such as, **Instagram**, reaching students, young engineers, and the wider developer community network connected. Social media visibility helps partners gain **recognition**, build presence among students, and be associated with practical experiences.

DIRECT CONNECTION WITH ROMANIANS ABROAD

You gain **direct connection** with Romanian students abroad in a relaxed, community-driven setting rooted in cultural tradition. By participating, partners can engage with students beyond formal contexts, building **authentic relationships** through shared experiences and conversation.

DEDICATED EVENTS IN THE FUTURE

Partners have the opportunity to **co-create dedicated events** in the future tailored to their interests, from workshops to **cultural** initiatives and **community** meetups. This enables companies to build sustained **visibility** within the Romanian student network abroad and engage with students in formats that encourage mentorship, knowledge sharing, and meaningful interaction. Over time, these collaborations evolve into recurring touchpoints that strengthen **relationships**, **support** talent development, and position partners as long-term contributors to the **community's** growth.

BRANDING

We provide **visibility** to partner companies through our official **promotional materials** used during our events. This includes displaying their **logo** on **on-site branding**, as well as on selected merchandise.

WHAT YOU CAN HELP US WITH

EVENT SPACES

These are locations that can host workshops, talks, and events comfortably, allowing learning and collaboration to happen without logistical friction.

EVENT EXTRAS

Materials and small but meaningful support elements that make student cultural events more engaging and productive. This includes contributions to goodie bags, merch, event swag, and support for interactive activities.

HELP WITH FOOD AND SNACKS

Partners can support the event by contributing traditional Romanian food and snacks, helping create an authentic cultural experience for participants. Sharing familiar tastes from home encourages conversation, connection, and a welcoming atmosphere where students feel represented and comfortable. Food partnerships also offer visible brand presence throughout the event while associating partners with community care, hospitality, and meaningful cultural celebration.
